I'm believing that something's gonna be released here that's gonna shift us into a new season. And I'm just going to prophesy to you that the Central Coast will never be the same after this week....We're just going to pray that the heavens will be open and we're gonna ask the Lord, the Captain of the Host, to begin to release angels in this building tonight and just much revelation. So Lord, we thank You for tonight. We thank You for what you're about to do. We thank You for a word that's come to the Central Coast. We receive it with joy and gladness, and Lord, we thank You also for the angels. We thank You that there are more angels right now in this building than there are people. And we ask that You would activate them tonight, and Lord, we ask even ask them as we worship even as the word goes out tonight, Lord, would You release healing in this place. Lord, let the miraculous happen even during worship

2020 is key to pave way to the future. Need to plow through has been theme this past year. Plowing up next move of healing in this land. Went to Spokane and Santa Maria, both healing centers. Once the Apostolic Church arises you come into a new order and you see first apostles, second prophets, third teachers, then you have miracle workers and healers. The closer we get to God's kingdom order and government in this land, His Kingdom people, the closer we get to unlocking the healing miracles.

Had to determine which field to plow, what we would sow in that field, then proceed with process of causing the land to come into a new level of fruition. This year we had to move through so we could see this land shift in a new way.

On the verge of breakthrough into move of God with miracles! We've done what God asked us to do this year. Went to Savannah, occult center of the nation, one of the occult centers of the world. Has both godly and evil inheritance which affects both atmosphere and ground.

We're entering into a supernatural/mystical season we've never been into corporately before. We'll have 10 years of living in a supernatural atmosphere. GET READY! (Meetings like this become so important!) A NEW ERA IS HERE! WE HAVE TRANSITIONED! ISAIAH 32:1 A KING WILL REIGN IN A NEW ERA IN RIGHTEOUSNESS.

This is one of the few times we've done the night and morning meetings during the Time to Plow. CA has had the most meetings (3) concerning It's a Time to Plow, so that says **you need to plow more!** We're in a NEW ERA but we'll concentrate in CA while we're here. It's a new historical shift that we have stepped into. By **April it will be manifesting!** So it's very important we begin to see it!

You're going to see a total upheaval of governments. God always starts with His house first. So there's an incredible upheaval in governments that's going on within us, but in nation after nation we are beginning to see that upheaval occur because **righteousness is about to enter nations!** THAT BECOMES IMPORTANT!

Recognized Fred & Sue Rowe, that he was close to Bakersfield. So many of you have been plowing a long time, but now you're about to turn everything upside down.

Decade of Pey, in Hebrew made covenant with Abram, the Hebrew, the one who crosses over, and made covenant with Abraham and shifted us into a time sequence that He determined. That becomes important for us because He predetermines access and our time and place. In other words, if you felt led to come here, the Spirit of God has somehow brought you into a moment of time and place. It says He does that so we can grope for Him, find Him, pull Him into this atmosphere with us! I'd throw my hand up and say, "We're ready for You to come!" So He wrote this covenant book around these three feast times. Then He added to it each month Rosh Kodesh, which is a First fruit celebration. From that He gave us and put within us the ability to cross over, to keep crossing and to finally get into the promise that he has for us.

With that, it is important that we see in time now, 80, we have entered into a season 5780 in Hebrew and 20 has good meaning as we cross but 80 has a whole different dimension of prophetic meaning, and look at what the letter looks like. Hebrew letters have pictures, it's a whole language... This looks like we're coming around but now there's a new opening for our future. Pey means let your mouth decree. This is the **DECADE of the DECREE!**

We have entered an ERA of FREEDOM. Freedom is linked with PEY, but in the midst of it, we have to create a new opening for FREEDOM. THIS BECOMES VERY IMPORTANT FOR CA!! I believe God pressed us to CA BECAUSE THE FREEDOM OF OUR NATION IS HINGING ON THIS PARTICULAR STATE! And it means **YOUR FREEDOM WILL BECOME A RESULT OF HOW YOU SPEAK.** So HOW WE SPEAK, ESPECIALLY FROM CA IN THE FUTURE, WILL CREATE FREEDOM FOR A WHOLE NATION.

So you guys are important! VERY IMPORTANT! NOT ONLY IN WHAT YOU'VE DOING BUT IN WHAT YOU'RE GOING TO BE DOING BECAUSE IT IS ALSO A NEW ERA FOR HOLY SPIRIT. A Kingdom movement: Acts 2: 9; 19

That's why this healing dimension has been so important, being with Healing Rooms, then being with Healing Rooms North America here, because we are coming into a whole new Holy Spirit movement so it's as if the Lord's putting a whole new mantle on you. (Mantled Rick & Lori Taylor) New manifestations; administrations. Prototype. 8 months of blossoming in new ways – Lori. A lot compacted down in you about to expand & spread out. Unfolding! Sai it and it'll unfold. Cells will open up, cell reformation for healing movement. Already in you. Let Me unfold it – Rick.

Come face to face with the roar. Face off fears – pursuers, enemies, promise. Finish strong! (Prophetic act: turned R, then L, pushed on person in front, faced off wilderness & giants, faced off promise, not going back.)

We're on a journey. 2 Chron 7:14 to heal land. "If My people who are called by My name will humble themselves and pray and turn from their wicked ways, seek Me, I will heal their land.

We are in a crisis of plowing this year so the land can start healing and producing in new way next year. This becomes very important for CA! 2008 God caught me up at Liberty Park and showed me all the states. He showed me where the glory entered that bloodline and then He showed me where iniquity had entered that bloodline and, see, we're a prophetic people. God's not in time. We're in time, but if you really move with Him, He can catch you out of time also. That's what makes us prophetic. That's

why you can be sick here and see yourself healed here and prophesy it. You can see one form here and call it into another form here. That's what I said when I left Georgia. I said, "The enemy's tried to knock me down but I will be standing." Cuz I can look at this leg and say, "Line it up!"

Command Me, cause My hand to work. Isaiah 45:11 We will create a performance of the Word of God.

It's going to cause Judah to go first again, an apostolic prophetic tribe.

Here's what the Spirit is saying:

"I have a new thing I'm about to do in you. I'm going to blow from heaven into you and it is going to unlock what has been locked up in you and I'm going to roar from heaven and it's going to cause Judah to go first again. And I'm going to cause a Judah tribe, that apostolic prophetic tribe, filled with sound, to rise up and move in an incredible way. You will roar with Me," saith the Lord. We stood and roared. It's in you (3X)

What we have in the year ahead is a major face off. First, face off fears. You're going to look at that spirit of fear that's been attached to God trying to give you caution of how you walk and you're going to face it off. You're going to face off your pursuers, that which has tried to make you go in a different direction, that which has tried to back you down. You're going to face off that which has pursued you, and you're going to pursue and recover all. You're going to face off enemies this year. I feel like the Body of Christ is going to come into a new, especially God's people, a new understanding of enemies and how demonic hosts, because we're coming into such a supernatural season, enter people and then amass them together. And I'll show you tomorrow why this becomes so important for CA. We are going to enter our promise. Say it out loud, "I'm coming in!" And then, we are going to finish strong!!

At every key time, there has to be a face off. You have to turn and look back. This is key for healing, because you have to face off your wilderness and say, "I'm at a new place, Wilderness. You weren't able to hold me captive and I'm facing you off." Then you have to turn to the other way and face off your promise. Because in that promise, remember, has all this incredible increase, all this incredible blessing, but all these big giants. So you have to say, "Lord, I'm facing the promise You've given me, and I'm not afraid to face off the giants that would have me turn back." Now put your hand on the person's back in front of you and say, "You don't need to come back this way." Now just given them a little push forward. "Now Father, I say, we're coming into our promise!"

Healing takes on lots of dimensions. My whole testimony revolves around healing. When I was 18, I collapsed. I had gone through a traumatic traumatic time with our family who had lots going for it, lots of potential, blessings, and yet some way it fell under array and corruption, lots of land, and my dad died a very tragic death at 39. And I was left responsible for all of it. I didn't fully understand inheritance. I had come to know Jesus but I hadn't really surrendered fully. I rebelled against the responsibility even though I knew I had it. We had lots of sickness....

For 3 days the Lord visited me. The Pentecostal pastor said all you have to do is read a chapter in the OT, a chapter in the NT, your Psalms and Proverbs every day and pray and you'll be fine..... I got to a place in Proverbs 3 on Sept 3, 1972, and all of a sudden the Spirit of God came down and visited me. Prov 3:5-6 If you'll give Me your first fruits, I will not only fill your barns, and fill your vats with new wine, (we had oil and that meant to me the wells would spring up again) and also it says right there, I will heal your body and your bone marrow and your nervous system. All of a sudden the Spirit of God said, "Give Me

your best each month, and I'll bless the rest. And I will restore all that you have lost." Because of that He's sustained me, redone me, transformed me and He's healed me spirit, soul and body. Well, with that, God not only can heal us spirit, soul, and body, but He can heal the land. And that was the major issue of my responsibility. Coming from Native culture, you understand the importance of the land. You understand the importance of First Peoples, why He put a certain First People in the land because what He did with those people was He coded the DNA of the land within them. And so there's some way that the land can be healed.

Now, we are on a journey as it says in 2 Chronicles 7, that if My people who are called by My name will humble themselves, turn from their wicked ways, seek Me, I will heal their land. We are in a crisis of plowing this year so that the land can start healing and producing in a new way next year. This becomes very important to California.

I'll end by saying this. (Told the story of being caught up into the heavens in Liberty Park and showed him into the new administration, the 12 year period that is now.)

He showed me a move of God in every state that was coming. Look at somebody and say, "That new move is here!" He called it a triumphant reserve. It looked like glory, a glory river in every state. And then they would connect with these places. Look at somebody and say, "We are here!" And I know now these were the Apostolic Centers of the future. They're not mega churches. They're glory hubs that not only go up into the heavens but they go down into the earth because that's what the tabernacle of David does. It heals the earth while we're going up and ascending into worship. So, God started showing me. Not every state had those! Every state had thrones of iniquity. Then He showed me 21 states in covenant in America, then eventually He showed me 153 nations that would be in covenant.

TWO STATES WERE HANGING IN THE BALANCE. ONE WAS FLORIDA. AND MOST PEOPLE THINK THERE'S NO HOPE FOR CALIFORNIA BUT **THERE IS HOPE FOR CALIFORNIA!** The other was CA. Now remember we're 12 years ahead in a new administration. That makes it 2020. So that brings us now to a moment.

This is what CA looked like from heaven. It had an incredible covering on it and it had sort of an aura around it. But then it had an evil root and it had a glory root. From heaven you could see the contending that was going on and how the evil root wanted to overpower the glory root of this state. Now a lot of people when I first shared this, they said, "CA can't have a glory root!" You've had moves of God that have changed the course of all of the world. That's crazy! That's just ignorance and judgment! You've had Azusa! I'm a Houston boy. Seymore came to Houston, they rejected him. He came here, you received him. There's something about you that is so key for the future and the next move of God, that I don't think we can shift a nation without you, coming into what God is saying! But, there is an evil root contending.

Now Florida, this year the Lord had me go there 9 times. I never do that! Because I knew they had to shift! I want to say to you, all up and down that state a remnant has shifted, a remnant is worshipping, and that's why you saw hurricanes coming toward them all of a sudden turn.

Now, for this nation to come into its new dimension of being saved, California must shift. It is your time! It is key for a nation! I'll go over a lot of this tomorrow, how I see us moving, The glory of God is ready to triumph in CA.

NEW MOVE OF GOD IS COMING IN EVERY STATE. Glory in certain places – GLORY HUBS GO UP INTO HEAVENS & DOWN INTO EARTH. Florida & CA were hanging in the balance. **CA is key for future. Can't shift nation without CA! Evil root is contending. CA must shift!** It's our time, key for nation. **Glory of God is ready to triumph in CA. Root of evil needs to wither in CA.** Vicki Nohrden – How will the voice rule CA & nation ahead? Sound is linked with voice. Will west wind blow new movement in CA? Will the voice of the glory of God be heard in this next season? **Will voice of the glory of God go forth? Let His voice come forth now!**

There are 2 key Scriptures this year. One from Job, "You will decree a thing and it will be established." Another one is from Isaiah 45:11 "Command Me," saith the Lord, the God of Israel, "Command Me concerning your sons and daughters and cause My hand to work." God is giving us great authority to change the course of this land. California is still hanging in the balance, hung between two opinions, and I say there is a remnant in CA being filled with God's glory that's rising up, and you will not only be heard, (now this is the first time I've said this) but you will create a performance of the word of God throughout not only this state but this entire nation.

Dutch, Friday night, 11-22-19

We have come to realize on this tour the significance of this state. We've always known that, and I know you know that, but the Lord is highlighting it in a very significant way for us and I'm going to read you a dream that I feel highlights it againI'll share what the Lord has shown us the past 2 nights in Las Vegas (Can you imagine the Lord saying that Las Vegas is going to be a gate for the glory of the Lord? That's what He said prophetically! Amazing isn't it?!?! You wouldn't necessarily have expected just in the natural sense, but He is. He is!)

3 things God spoke to Chuck re: Time to Plow meetings

1. Touch all states by gathering in regions. Go and prepare the land for awakening. (God's been preparing this nation for awakening through intercession for many years so it wasn't like start over, and it wasn't like in the same way that God had been saying it as we have been praying to prepare the land for many years. What I heard was in the sense of when the Lord came to Abraham and said, "Next year at this time Isaac will come." So there'd been a preparation season for 24 years, he'd been waiting and preparing but finally the Lord said, "It's time! And this next year, at this time, Isaac will ..." That's what I heard in my spirit, that the Lord was saying, "It's time!" It's time and gather the intercessors & prophetic company and make decrees & pray into it because it's time.
2. Release the hovering of His Spirit. That was very exciting for me because very time I hear the word hovering I think of Genesis 1 when Holy Spirit hovered over creation. The King James says Holy Spirit was moving over the face of the deep. The word hovering there is a birthing term. It's actually a reproductive term. In Hebrew that word RACHAPH is used to describe a husband hovering over his wife in the act of marriage. It is literally a reproductive order! So when Jesus was speaking "Let there be!" Holy Spirit was releasing His power, taking the words of Jesus which elsewhere in Scripture are called seeds and bringing forth what Jesus was decreeing. So Holy Spirit moving or hovering over the earth is a sign that He's about to birth something. If He's hovering over America, He's about to birth something in America. For the Lord to say, "Go

release the hovering,” said to me, “I’m about to birth something.” A counterpart word in Greek is used 3 times in the New Testament to describe the same type of bringing forth or birthing as Holy Spirit’s power is being released and one of those places is when Mary was told she was going to bring forth the Messiah. She said, “How can this be? I’m a virgin.” The angel said, “The Holy Spirit’s going to hover around you, envelope you in His glory, and you’re going to conceive.” It’s also used on the Mount of Transfiguration when Holy Spirit hovered around the Lord and released His glory and transformed Him but with His glory. But it’s also used in Acts 5 when Peter was ministering and it says they tried to get in his shadow and they were healed, when they were overshadowed. But in Greek it doesn’t really say his shadow healed them. It says when they stepped into the overshadowing or hovering *episkiadzo* of Holy Spirit. Same word to describe what happened with Mary. When they stepped into the hovering, Peter was speaking, Holy Spirit began to move, began to be released from him, and when they stepped into the hovering, miracles would happen.

We’ve moving into that era when Holy Spirit’s gonna move in such a way that you’ll be praying for people but He won’t be limited to the touch. He’ll be released just out from your words, your faith will begin to release hovering, and they’ll step into that and they’ll be healed. So when Holy Spirit said, “Go release the hovering,” I knew He was saying, “I’m about to bring forth the spirit of awakening in the nation. Gather My people and release My hovering.” So that’s what we’re doing. This is not happening, by the way, just because Chuck and Dutch show up. It’s happening because we have a calling and anointing and a gift and a recognition that can gather the intercessors in the nation. We can gather the prophetic company in the nation. So as we gather and release our faith together, this hovering begins.

3. HS said to release the anointing to give birth. So we’re going to do that.

I’m going to share from Acts 3, then I’m going to read this dream. I’ve had 2 dreams. I’m in a season where I’m receiving dreams weekly for the nation. Most of them, I don’t have the dream; they’re sent to me from prophets, and the dreams that are being given to me right now are from these prophets, are incredibly significant, saying to me that we’re moving into a season where it will be contested what God’s about to do. It’s going to be contested in very dramatic and intense ways! But the victories that we experience will be dynamic victories. We will win, and God’s about to birth what we’ve been asking Him for 2 or 3 decades now. This great awakening is coming! And it is time! Two of the dreams, I have turned to the people in the dream with me and said, “It’s time!” Say that with me, “It’s time!”

Acts 3:21 It’s Time – Times of Restoration of all things

Only place where 3 of the Greek words for time are used in Acts 3.

Restoration isn’t strong enough. It basically means somebody has had a hard time but God comes and refreshes and restores them. But this word is the word that means to **reconstitute** something. That’s the best translation of the word, reconstitute. Constitution of something is the original intent for that, how it’s made and how it operates. The constitution. Our nation is supposed to operate according to the Constitution. Your body is supposed to work according to the constitution of the way it’s made by God. So He says, and the word is plural. It’s not *chronos*, it’s *chronoi*. There are times of the restoration of all things or the reconstituting of all things. So we go through seasons when God reconstitutes us in a

certain way, then we go through another season where He is reconstituting us. We go from glory to glory, changed in His image from glory to glory, or we go from faith to faith. So in every season He's doing something specific in a corporate sense and in an individual sense.

Chuck prophesied tonight of us going, coming into a 6 month season to get us to a point of breakthrough moving in this new era. That's a *chronos*. But in every *chronos* there are *kairoses*. The word in Greek would be *kairoi*. That's in verse 19. He says in every season of reconstituting you come to a *Kairos* and a *Kairos* is a window of opportunity. That's the best way to translate it. A window of opportunity. Not a guaranteed time but an opportune time. We're in one now! We can break through into this new era! So He says there are seasons *Chronoi*, and there are *Kairos* windows, but then you come to a point when you have to step through. You have to break through. You have to hear Holy Spirit say, "It's time!" And that's in the first part of the chapter.

When the man at Gate Beautiful was healed. God kept talking to me several years ago about this passage and I knew He had something He wanted to share with me there, but I couldn't get it. I just couldn't figure out what He was saying to me. So finally I started doing word studies of all the words in that passage, and I still wasn't getting it. So finally I looked up the word for the gate, the name of the gate, **beautiful**. And I realized that the word *beautiful* there doesn't mean attractive. It's not a physical beauty. It's actually the word *horaios*, which means the right time. The best translation would be "the right time gate." It's only translated *beautiful* a couple of times because it's a circumstantial beauty when things come together at the right time and the right way, they create something beautiful.

I have wondered for years why Jesus walked by this man dozens if not hundreds of times because of where he was located and didn't heal him. It's one of the few times, one of the few people that Jesus didn't heal. In fact, there were times when multitudes came to Him, and that word means thousands and thousands, myriads of people would be around Him. He'd be teaching them, and the Bible says He healed them all. I often wondered, why did He walk by this man and not heal him? And I'm sure the disciples wondered why. It was because Jesus was saving the miracle for the right time. He knew that the early church would need this miracle because the whole nation knew who this guy was because they had to go to Jerusalem three times a year for the feasts, and where he was located., sovereignly put there by God, sovereignly sitting at a gate called the "Right Time Gate," and all of the nation knew him because they walked by him when they would come to Jerusalem and he was so pathetic in his condition everyone knew who he was and they had all probably flipped him a coin or two.

And then one day Peter walked by and something was different. It was time! It was time!! It was time for a miracle that would grab the attention of the entire nation. Now just think about that! Everybody knew who this guy was! And you can argue theology all you want but when a guy who's 40 some years old, who's born with a condition that's twisted his limbs, he's never walked a day in his life, when something happens in a second, muscles are formed, limbs are straightened, joints are put together, ligaments form, coordination comes and that which takes months to do to learn to walk happens in a fraction of a second he jumps, leaps to his feet and he's completely transformed and he's running through the temple and the whole city hears about it in minutes! Because thousands of people gathered! We know 5,000 were saved! Because he was running through the temple, running and leaping and praising God! And news spread throughout the entire region! Somebody healed him in the name of this Jesus, the one they're saying rose from the dead! And a Right Time Miracle happened at the Right Time Gate! That's *horaios*! *Chronos*, *Kairos*, and then the Lord says, "It's time!"

We're moving into that time now where the Lord is saying to us, horaio. It's time! It's time for this awakening! It's time for a breakthrough in California! CA's entering into a 6 month window where you can go through the gate of glory. Chuck kept saying night before last or last night, "This is going to be a gate of glory! The glory of the Lord is coming through this gate of the Southwest!"

When he was speaking this in Vegas and then last night in San Diego I realized this dream that had been given, realized what it meant. The lady who had the dream said, "Before going to sleep I had a quick vision of a large statue of George Washington." He was on a horse that was reared up and he had a gun like they used in the Revolutionary War and he was pointing this gun. Then she fell asleep and dreamed and "the same statue was in my dream. I knew it was in Washington D.C. because I could see the Lincoln Memorial lit up and the cherry blossoms. My noticing these things seemed to be very significant. (Cherry blossoms are in March. 6 months from when she had the dream, 5 months from now.) The gun that George Washington was pointing was pointing toward the Southwest. In LV and SD God was saying He's pointing to this region of the nation. I'm standing under this reared horse, under the legs. So here's the generational thing. Here's the ancient gate, here's the past, Geo. Washington and wherever he pointed the statue swiveled like this. Wherever he pointed, I began to decree! It's the agreement, the generational synergy but he starts by pointing to the SW. He's pointing to you here in CA, the southern part of CA, but then he swivels and goes to the north. Then he goes back and forth in the dream, pointing to the SW gate then up the north. "Under the legs of the statue I saw Dutch Sheets and he turned to his right and said, 'It's time!'" I believe that when the cherry blossoms bloom, something very significant is coming to the West Coast of the nation! I believe what God is saying is, "You can win this war for the soul of CA and rather than being a gate for that which would be evil to come into our nation, CA can be a gate of the glory of the Lord!"

One of the interesting things is, wherever he would swivel on the horse and point, we would decree and prophesy into the nation. Every time we spoke, eagles came and grabbed the words and took them to the place we were prophesying to. A very fascinating part of the dream was that I used a megaphone but it was huge like maybe 3 or 4 stories tall. It seemed too big, but a company of people came, hundreds of them, and set the megaphone on their shoulders and held it up for me so that I could decree what God was saying. It was the prayer army in the nation. The megaphone says to me, the voice, the influence of the Church in the nation. He's going to increase our volume. He's going to increase our strength and give us a bigger voice in the nation. We're coming into a season where we're going to decree a thing and it's going to be established. What used to take years is now going to take days. We've been decreeing things and decades later we see it happen but we're going to decree a thing and it's going to happen immediately.

Decrees that Dutch spoke:L

Now Lord, we just ask You for CA. We don't curse this state, we bless this state. We say it's time for Your glory to come into this state, break through and bring a spirit of awakening and revival into this state because it is time. It's time for the wind of Your Spirit to blow once again. It's time for a spirit of faith to reach down and grab the man at the gate, at the right time gate. It's time for right time miracles. It's time for signs and wonders to come that are of a nature, they are so supernatural, they are so profound, they're so incredible that they grab the attention of the unbeliever. They grab the attention of the masses, of the multitudes gathered. These will be signs and wonders. Glory is coming bringing signs and

wonders into this state and it's time. We're moving into a great window of opportunity, a Kairos window of opportunity and as we decree Your Kingdom coming over this next 6 months, there will be an amazing breakthrough in March! We say that the winds will blow in March. The winds of Your Spirit will come in significant ways in March! These will not bring natural fires. These will bring spiritual fires. And a wind and a fire that cannot be quenched will blow through this state once again. It will marry the anointings of the past. The strength of today will be multiplied, and what you do will be greater than what you've done. And the wine will be more powerful and effective than the wine of the past and we will honor the wine of the past but we will marry the wine of the past but we will get the wine of today and the wine of the future. So we will be in Washington D.C. Lord, I pledge to You that I will be there when the cherry trees blossom. And I will point to the Southwest and I will begin to decree the Glory of the Lord! It's coming to California, to San Diego, to Albuquerque, to Tucson, to Phoenix, to the SW corner of the nation. Then it will go up to the Northwest, all the way to Washington and back and forth and the nation will shake and quake on the West. We say, Lord, nothing will stop this move of Your Spirit!

Chuck: Now I saw something. So many of us in this room, we've been walking by and seeing something that needs to change and it's not changed. The Lord says right now, I want you to know your hour is ahead. Now I want you to reach down and say I'm ready to pull that thing up into a new form! Lord, I loose new forms!! I loose new forms! I loose new creativity!! I say it's time for a new form!! I say it's time to reconstitute this state and this nation.

That's a word for this state! I'm going back to reconstitute it! I'm going back to a place. It's a, I see it, I see the root and how it's attached. Tomorrow we've got to deal with this! Father, we thank You right now! It is time to pull things into a new form!!! Lord, we loose this in California!! We loose it in California!" Now let's worship for a moment. Now put your hand on someone and decree over them, "The shadow is beginning to expand with the Spirit of God! We loose an overshadowing!! We say, Lord, things have been hung up in us. We say we're getting loose so the glory can come out of us in a new way. The Lord says the glory's going to come out of you in a new way. You're going to shake up and down this coast all the way from Seattle/Vancouver all the way to Tijuana. The Lord says there is a shaking coming but it is the shaking of My glory!!!! There's a rearranging of the sound of heaven that's penetrating and gonna unlock here in CA!

All of a sudden I'm seeing that uprooting, the uprooting! The Lord says I am coming to uproot what has contended with My glory. It is time in CA to uproot that which has contended! I see it, I see it! I see how You're gonna do this! Lord I set a bloodline over this place! I set a bloodline over this people! Lord You are saying tonight, the uprooting is beginning now!!

Dutch:

When the eagles grab these decrees and carry them to the nation, they dropped the decrees and they became white sheets like sheets on a bed but they had words written on them. They covered regions and buildings and one of them had the word SAVED on it. So we're going to decree CALIFORNIA SHALL BE SAVED!!! We just say Lord, Your salvation is coming to this region! Salvation belongs to the Lord! You have the power of salvation! Your name Yeshua, Ya Sha means saved or salvation or the one who saves. We decree that the one who saves is coming to California and coming to Nevada and coming to Oregon and coming to Seattle and all of Washington! Salvation is coming! Signs and wonders are coming!! Life is coming, healing is coming, blessing is coming to this region!!

Chuck:

Lord, loose it, loose it! You're starting something now here! Father, "We say let it be now!"

Dutch:

Yeah! Yeah! Now! It's time!! It's time! We say "It's time!" We say we will go through the window! We say we will be faithful to decree every day the glory of the Lord's coming into this state and region. We will prophesy it every day! We will declare it every day! We'll decree it until the cherry blossoms come!!! And the time of awakening comes!!

Now before we finish, I see why the Lord has tomorrow morning. I see it! I see it in the heavenlies and I see it coming down and pulling and starting the uprooting here. So Lord I say right now there is a bloodline coming across this remnant here and Lord, You are beginning, so we've got to be able to express it tomorrow, to say it, to decree what is about to happen in the next months here! Father, I loose it! You have brought us to this moment and You're saying, "Now My hand is coming!"

Now put your hand on someone and say that they are being reconstituted.

The Lord says, "I'm taking you back to an original intent that you've never accomplished," something the Lord says, "You're never too old! I'm taking you back to it! You're going to accomplish it! You're going to accomplish it! I'm reconstituting it in your life! Something you know should have been, I say I'm going to cause it to be pulled into a different form!" Lord, I loose that right now in Jesus' name.
